From Manchester Airport.

From the airport head into Wilmslow then turn right towards Congleton on the A34. It is about 10 miles from Wilmslow to Sandhole Farm which is on the right side of the road about 1 1/2 miles before you get to Congleton. There is a large "Sandhole Farm" sign on the tree at the entrance of the 250-metre long farm drive. The total distance from the airport about 15 miles.

From M6 Motorway

When coming from the south on the M6 leave at junction 17 and head for Congleton (approx. 5 miles). As you come into Congleton you have to give way at a junction where you will turn left towards Manchester, then turn left at the roundabout, over the next roundabout, and straight through the traffic lights. This is the A34 and you must stay on this road until you come to the entrance to Sandhole Farm which is about 2 1/2 miles from these traffic lights and is on the left side of the road. There is a large "Sandhole Farm" sign on the tree at the entrance to the 250-metre long farm drive. The total distance from junction 17 is about 8 miles.

If coming from the North leave the M6 at junction 18 and then head for Holmes Chapel. When coming into Holmes Chapel (approx. 1 mile) turn right where indicated towards Congleton. Follow this round to the traffic lights. Go straight over still heading towards Congleton. As you come into Congleton you have to give way at a junction where you will turn left towards Manchester. (This is approx. 6 miles from junction 18 on the M6). Then turn left at the roundabout, over the next roundabout, and straight through the traffic lights. This is the A34 and you must stay on this road until you come to the entrance to Sandhole Farm, which is about 2 1/2 miles from these traffic lights and is on the left side of the road. There is a large "Sandhole Farm" sign on the tree at the entrance to the 250-metre long farm drive. The total distance from junction 18 is about 9 miles.
